

# MISRIMAL NAVAJEE MUNOTH JAIN ENGINEERING COLLEGE

## Department of Chemistry

### Research

Two faculties in the department are doctorates and four members are pursuing PhD. Their areas of interest in research are:

S.No	Name of the Faculty	Designation	PhD - details	Area of Specialization
1.	Dr.S.Nasrin Banu	AP	Awarded	Material Science, Nanochemistry, Pollution Research.
2.	Mr.A.Madhuraiveeran	AP	pursuing	Polymer Membrane
3.	Mr.S.Jayakumar	AP	pursuing	Metal complex and biological Activities
4.	Mrs.R.Gomathi	AP	pursuing	Polymer, Adsorption
5.	Mrs.T. Krishnaveni	AP	pursuing	Polymer Nanocomposite, Toxicology Research, Instrumentation (AAS, ICP,SEM, XRD,C&H Analyser)
6.	Dr.M. J. Shanmugam	AP	Awarded	Organic Chemistry, Instrumentation(NMR, FTIR, UV-Visible Spectrophotometer)

The faculty in the Department of Chemistry have a number of research publications in international journals to their credit. They have been actively involved in various aspects of R & D
