

MISRIMAL NAVAJEE MUNOTH JAIN ENGINEERING COLLEGE

Department of ECE

EXTRA CURRICULAR ACTIVITIES:

Prominent Student Achievements

- Abishek Jain D & Hemanthram B (2013 – 17) participated in Virtual BAJA SAEINDIA 2016 organized by SAEINDIA on 24 – 25 June 2016 at Kengeri Campus Bengaluru.

Virtual BAJA SAEINDIA 2016 is a 4 day intercollegiate engineering design competition for graduate and undergraduate engineering students around the world. This opportunity allowed both the students to function as a team along with students of other departments of our college to build, test, promote and complete electrical vehicle. As part of the electronic team they were responsible for handling both high voltage, low voltage electric vehicle architecture and developing soft functionalities such as an infotainment system to display driver safety critical information.

This was the 10th edition of Mahindra BAJA, a total of 415 entries applied for the event from 185 colleges that participated at a virtual stage, out of which 150 teams were selected for m-BAJA, while 35 teams for eBAJA. In the final round or the endurance test, 118 teams participated which was held on 18th and 19th February the team from our college secured 14th position.

- Abishek Jain D, Hemanthram B, Aravindh. S (2013 – 17) won **third position** in **International Quiz event** ‘Sweden India Nobel Memorial Quiz – 2016 at Ethiraj College for Women, Chennai on August 21, 2016.
- K.B.Jagan (2014 – 18) won **first place** in for his paper titled, ‘Dynamic range implementation in WI FI access point through range adaption algorithm’ at second **International Conference** on Data Management, Analytics and Innovation at Institute Of Industrial And Computer Management And Research, Pune on 19 -21 Jan 2018. He has received **letter of Award** from **Springer(India) Pvt Limited**.
- Ankit Chopra & Santhosh (2015 – 19) won **first prize** in **National Level Exclusive Robotics Symposium** organized by Robotics club of Sreenidhi Institute of Science & Technology, Hyderabad on 15 – 17, September 2017.
Unmanned Aerial Vehicle (UAV) also known as drone is designed specially for surveillance in military Field and rescue mission purpose with high strength and rigidity.
- M.Chandrasekar & N. Barathraj (2015-19) Won **Second prize** in Project Expo at INFIERNIX Organised by ECE Department at Rajalakshmi Institute of Technology, Chennai.
The intension of the team is to make a machine which is “LOW COST SEMIAUTOMATED HARVESTING MACHINE” especially for paddy. Main Objective of the project is to contribute to the field of Agriculture and to help the farmers and government by providing the low cost machines for harvesting.

2015-2016:

S. No	Name of Students	Batch	Name of the Organization	Event	Date	Winner/Runner/Participation	International/National/State Level Event	Symposium/ Seminar/ Workshop/ Conference
1.	S.Aravind	2013-17	Meenakshi Sundararajan Engg College	Line Follower	18.08.15	Winner	National	Symposium
2.	K.Bharanikumar	2013-17	Meenakshi Sundararajan Engineering college	Line Follower	18.08.15	Winner	National	Symposium
3.	K.Gayathri	2013-17	St.Joseph's Institute of Technology	Buysmas h	29.08.15	Winner	National	Symposium
4.	R.Preethi	2012-16	IFET College of Engineering	Electret'15	05.09.15	Winner	National	Symposium
5.	M.Vishalkumarmittal	2012-16	Dhanalakshmi College of Engineering	Best out of waste	25.08.15	Winner	National	Symposium
6.	R.Vishalkumar Jain	2012-16	Dhanalakshmi College of Engineering	Best out of waste	25.08.15	Winner	National	Symposium
7.	R.Poornachandran	2012-16	Dhanalakshmi College of Engineering	Best out of waste	25.08.15	Winner	National	Symposium
8.	R.Poornachandran	2012-16	Dhanalakshmi College of Engineering	Mr/Ms Debugger	29.08.15	Winner	National	Symposium
9.	S.Sathish	2012-16	Dhanalakshmi College of Engineering	Mr.Debugger	29.08.15	Winner	National	Symposium
