

PRESS REPORT

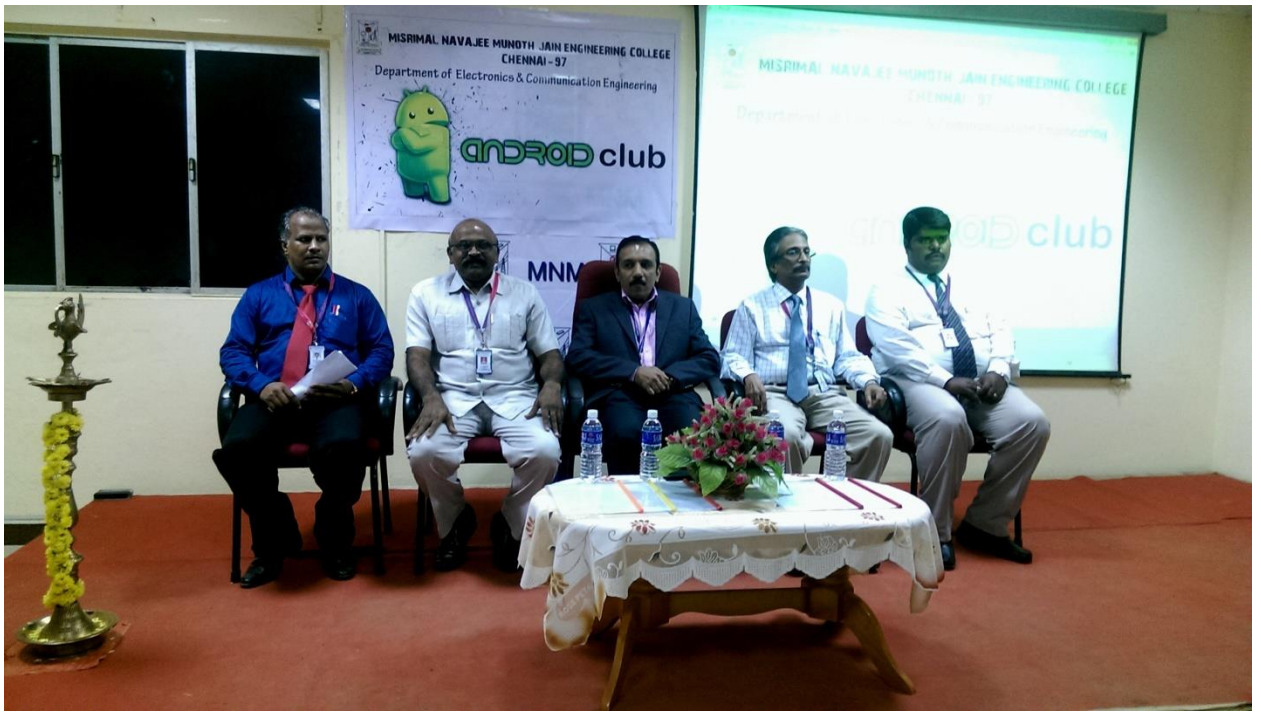

To be versatile in creating an environment which is enabled to meet the challenges in the current trends in technology, the **Department of Electronics and Communication Engineering** has inaugurated the following **Technical Clubs** to motivate young Engineers and members of faculty of **MisrimalNavajeeMunoth Jain Engineering College** to develop innovative projects.

Mr.P.Arun Prasad, Assistant Professor introduced the Chief Guest, **Mr. C. Stanley George**, Vice President and Head, Human Resources (South India), Hexaware Technologies during the inauguration of the **Android Club** on **7.01.2015**. He enlightened the students through an anecdote on eagle's nest to inspire and learn on own during his mesmerizing speech .

Mrs.V.Chitra,Assistant Professorintroduced the Chief Guest, **Mr.B.Selvakumar**, Director- Delivery, Prodapt Solutions Private Limited, Chennai during the inauguration of the **Electronix Club** on **9.01.2015**. Hemotivated the students to have a continuous learning through interactions with the help of the Club activities.

Mr.R.Selvakumar,Assistant Professorintroduced the Chief Guest,**Shri.M.K.Swaminathan**, CEO & Founder, AROBOT, Chennai during the inauguration of the **Robotix Club** on **10.01.2015**. He flashed a spark in the young minds of the students to be a job creator rather than job seeker and motivated everyone to become an innovator in the field of Robotics.

During the Inauguration of the above Clubs, **Dr.N.Jaisankar**, Professor and Head of ECE department welcomed the gathering. The Vice Principal, **Dr.M.D.K.Kumarasamy** felicitated the Chief Guest by presenting a bouquet. The Principal, **Dr.C.C.Christopher**motivated the students in his Presidential address and appreciated the department for this wonderful initiative.

From left, , Dr.N.Jaisankar, Professor and Head of ECE Department , Dr.C.C.Christopher, the Principal, Mr. C. Stanley George, The Chief guest, Dr.M.D.K.Kumarasamy,the Vice Principal, Mr.P.Arun Prasad, Assistant Professor of ECE Department

Dr.C.C.Christopher The Principal, felicitating the Chief Guest, Mr.B.Selvakumar Director, Delivery, Protapt Solutions (P) Ltd during the inauguration of Electronix Club, Dr.N.Jaisankar, Professor and Head of ECE Department, Mrs.V.Chitra Assistant Professor and Co-ordinator look on.

The Chief Guest, Shri.M.K.Swaminathan, CEO&FOUNDER, AROBOT lighting the ‘kuthuvilakku’ during the inauguration of Robotix Club. From left, Dr.C.C.Christopher, The Principal, Dr.M.D.K.Kumarasamy Vice-Principal, Dr.N.Jaisankar, Professor and Head of ECE Department, R.Selvakumar Assistant Professor and Co-ordinator look on.

About the Android Club

In the current scenario, the usage of Android Mobile Applications is ever increasing and the demand for Android Application Developer is also increasing day by day. To meet these challenges, the Department of Electronics and Communication Engineering has initiated a Technical Club called “**Android Club**” for Young Engineers and Faculty members of MisrimalNavajeeMunoth Jain Engineering College.

The main objectives of the Android Club:

- To develop new Android applications with strong domain knowledge.
- To provide opportunities for working together in service to the College and to the Society.
- To promote Institute – Industry Interaction.
- To promote Research Activities among young Engineers and Faculties.
- To increase employability opportunities for young Engineers.
- To develop innovative projects.

About the ElectroniX club

To be versatile in creating an environment which is technically enabled to meet the current challenges in the field of Electronics, the Department of Electronics and Communication Engineering has initiated a technical Club called “**ElectroniX Club**” to motivate young engineers and members of faculty of MisrimalNavajeeMunoth Jain Engineering College.

The main objectives of the ElectronixClub :

- To open new avenues throwing bundle of opportunities for young engineers in the field of Electronics.
- To bring out the hidden talents in designing and implementing innovative thoughts into realization.
- To promote Institute - Industry Interactions which would pave the way for the enhancement of employability and research activity.
- To develop innovative projects.

About the Roboticx Club

Since the field of Robotics has been emerging out across the globe with vital applications in various industries in different propositions where the manual intervention is found less effective in meeting out the challenges of current technological developments, the Department of Electronics and Communication Engineering has planned to initiate a technical club called as “**Roboticx Club**” for budding engineers and members of faculty of MisrimalNavajeeMunoth Jain Engineering College.

The main objectives of the Roboticx Club :

- To know the basics of Robotics
- To understand the applications of Robotics in various fields
- To design simple Robots for basic activities.
- To design advanced Robots for specific applications
- To increase the employability for young engineers in the field of Robotics.
- To develop innovative projects.

PRESS NOTE

The Chief Guest, Shri. G.Kannan, Ex-Additional Director (Robotics), CVRDE, DRDO and presently Director, Non Destructive Evaluation Centre, AMET University lighting the

Kuthuvillaku during the three day Faculty Development Programme on “Robotics and Automation”. Dr.C.C.Christopher, the Principal, Dr.N.Jaisankar, Professor and Head of ECE Department , Dr. Sanjay Kumar Suman, Professor of ECE Department, Dr. Sheeja V. Francis Associate Professor of ECE Department look on.

The Principal Dr.C.C.Christopher, distributing the participation certificates during the Valedictory function of three day Faculty Development Programme on “Robotics and Automation”. Dr.N.Jaisankar, Professor and Head of ECE Department, Mr.P.Shabarinath, Founder ResPro Lab look on

PRESS REPORT 2018

Dr.J.Jayapandian, Senior Scientist, (Rtd), IGCAR, Kalpakkam, Chennai delivering a special lecture on “Mems Technology and Its Applications”. Dr.N.Jaisankar, Professor and Head and the faculty members of ECE Department look on

2017

Prof. Nagesh R. Iyer, the Chief Guest, lighting the Kuthuvilakku during the inauguration of National Conference on “Green Energy Technologies – Energy Management Instrumentation (NCGET’17)” Shri R.K. Mohan Rao, Retd. Deputy Director, Chief Scientist & Scientist-in-charge, Shri Kota Srinivas, Deputy Director, Chief Scientist, Shri.G.S.Ayyappan, Senior Scientist, CSIR-CSIO, Chennai unit, Dr.C.C.Christopher, the Principal, Dr. N. Jaisankar, Head of the Department of Electronics and Communication Engineering, Misririmal Navajee Munoth Jain Engineering College look on

Prof. Nagesh R. Iyer, the Chief Guest, releasing the proceedings during the inauguration of National Conference on “Green Energy Technologies – Energy Management Instrumentation (NCGET’17)”
Shri.R.K. Mohan Rao, Retd. Deputy Director, Chief Scientist & Scientist-in-charge Shri Kota Srinivas, Deputy Director, Chief Scientist, Shri.G.S.Ayyappan, Senior Scientist, CSIR- CSIO, Chennai unit, Dr.C.C.Christopher, the Principal, Dr. N. Jaisankar, Head of the Department of Electronics and Communication Engineering, Misrimal Navajee Munoth Jain Engineering College look on

Prof. Nagesh R. Iyer, the Chief Guest, inaugurating the Poster session of National Conference on “Green Energy Technologies – Energy Management Instrumentation (NCGET’17)”
Shri R.K. Mohan Rao, Retd. Deputy Director, Chief Scientist & Scientist-in-charge Shri Kota Srinivas, Deputy Director, Chief Scientist, Shri G.S. Ayyappan, Senior Scientist, CSIR- CSIO, Chennai unit, Dr. C.C. Christopher, the Principal, Dr. N. Jaisankar, Head of the Department of Electronics and Communication Engineering, Misrimal Navajee Munoth Jain Engineering College look on

2016

Shri .V.Saravanan, Assistant Controller of Patents and Designs, Patent Office, Chennai delivering a special lecture on “ Patenting system in India ”. Dr.N.Jaisankar, Professor and Head and the faculty members of ECE Department look on
