

# MISRIMAL NAVAJEE MUNOTH JAIN ENGINEERING COLLEGE

## Department of Mathematics

### Research

Three faculties in the department are doctorates and two members are pursuing Ph.D. Their areas of interest in research are:

S.No	Name of the Faculty	Designation	Ph.D - details	Area of Specialization
1.	Dr. Kalaiselvi	AP	Awarded	Fuzzy Differential Equations
2.	Dr. C. Murugesan	Prof	Awarded	Summability theory in functional analysis.
3.	Mr.V.Sivakumaran	ASP	Pursuing	Graph Theory ( Graph Labeling)
4.	Mr. Subramanian	AP	Awarded	Graph Theory ( Graph Labeling)
5.	Ms. K.S. Araththi	AP	Pursuing	Number Theory(Diophantine Equations)

The faculties in the department of Mathematics have a number of research publications in international journals to their credit. They have been actively involved in various aspects of R & D
