

# MISRIMAL NAVAJEE MUNOTH JAIN ENGINEERING COLLEGE

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### REPORT ON NATIONAL SCIENCE DAY – 2025

DATE: 03.03.2025

#### INTRODUCTION:

The Department of Computer Science and Engineering at MNM Jain Engineering College successfully conducted the National Science Day 2025 celebration, emphasizing the theme "Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharath." The event aimed to inspire students to explore their innovative potential and contribute to India's technological advancement.

#### EVENT HIGHLIGHTS:

The event featured five engaging competitions, encouraging students from the first year to the final year to showcase their creativity and knowledge. Approximately 90 students participated in the following events:

1. **Pitch My Idea** – A platform where students presented their innovative ideas for the development of a progressive India.
2. **Group Discussion** – Students deliberated on various topics related to science, technology, and global leadership.
3. **Poster Design** – Participants illustrated scientific concepts and innovations through creative visual representation.
4. **Quiz** – A knowledge-based competition testing students on scientific facts, discoveries, and innovations.
5. **Pictionary** – A image-based event focusing on technical and scientific terms. It tests creativity, scientific knowledge, and lateral thinking in a fun and engaging way.

Each event was led by assigned event heads who ensured smooth coordination and execution. The students enthusiastically participated in these competitions, displaying remarkable creativity, problem-solving abilities, and a passion for scientific progress.

#### Judging and Recognition

Faculty members from the Department of Computer Science and Engineering played a vital role in evaluating and assisting the students. The judging process was based on the originality, feasibility, and impact of the presented ideas. Merit and participation certificates were awarded to recognize the students' efforts and achievements.

## OUTCOME OF THE EVENT:

The National Science Day 2025 celebrated on 28<sup>th</sup> of February 2025 in the Department of CSE was a grand success, fostering innovation and scientific curiosity among students. The event not only encouraged young minds to think critically and creatively but also reinforced their role in shaping a technologically advanced India. The overwhelming response and enthusiastic participation marked a significant step towards empowering youth for global leadership in science and innovation, contributing to the vision of a Viksit Bharath.

This event was successfully coordinated under the guidance and support of **Dr. N. Saravanan**, the Head of the Department of CSE, and **Mrs. P. Asha**, the National Science Day Coordinator. Additionally, the event was managed efficiently by the Overall NSD Event Student Coordinators: **Mr. Ajithnath Jain. A** and **Ms. Thanmayee R.** from 3rd Year CSE, along with **Kandiyuri Kalyana Varadan** and **Udayasri G.S** from 2nd Year CSE.
